This project helped reduce
Air Pollution by
221,160
Lbs. of CO₂/Year

Which is equivalent to
planting
2,578
Trees/year

Which is equivalent to
removing
20
Cars from the Road/Year

In sports, the quality light impacts the quality of your play. Many of our customers, from competitive athletes to casual participants commented on the difference that the ThinkLite LED lighting has made. We have set the standard for quality court and turf illumination for all sports, be it soccer, lacrosse, basketball, field hockey or more. We thank ThinkLite for that distinction.
